FOR IMMEDIATE RELEASE

CALTRANS ANNOUNCES STATE ROUTE 84 ROAD CLOSURE FOR EXTREME MAINTENANCE OCTOBER 11

ALAMEDA COUNTY –State Route 84 in Niles Canyon, from Old Canyon Road in Fremont to west of Sunol, will be closed for extreme maintenance on Saturday, October 11, from 5 a.m. to 3 p.m. If work is cancelled due to weather, work will be rescheduled.

The road will be closed except for emergency services and local residents with identification. The roadway will be closed for all westbound and eastbound traffic, including bicyclists. Work will include, but is not limited to: litter removal, drain cleaning, weed and overgrown brush removal, tree trimming, mowing, rock slide clearing, shoulder grading, pothole repairs, sweeping, striping, and delineation.

This maintenance work is critical and must be done prior to winter to help prevent flooding and mudslides, which could cause lane and road closures during winter storms. The road must be closed to ensure the safety of the workers and the traveling public.

The California Highway Patrol will be on site for traffic enforcement. Please remember to Slow for the Cone Zone.
